

A WELL-TRAINED PRECEPTOR IS ESSENTIAL TO THE AUDIOLOGY EDUCATIONAL MODEL

---

## National Registry of Audiology Preceptors™

The ABA maintains the *National Public Registry of Audiology Preceptors™* for consumers, university programs and students to search for preceptors who hold the CH-AP certificate. By earning the CH-AP credential, certificate holders agree to be publicly listed on the National Registry during their five-year valid certificate timeframe.

To earn the CH-AP certificate, a learner must:

- ❶ successfully complete, and pass the assessments of four training modules,
  - Module 1: Role of the Preceptor in a Clinical Environment
  - Module 2: Clinical Dynamics – Assessment and Performance
  - Module 3: Creating Effective Learning Programs
  - Module 4: Legal, Ethical and Professional Considerations
- ❷ maintain current licensure,
- ❸ sign the *Assessment-Based Certificate Holders Code of Ethics*.

Externship information: For those who wish to offer an extern site, please register at HearCareers where students and Universities have free access to posted externship opportunities

<http://hearcareers.audiology.org>.

The following certificants have earned the CH-AP certificate as of January 9, 2017:

### **Arkansas**

**Samuel Craig, AuD**

Ascent Hearing Center

Jonesboro, AR 72401

CH-AP Expiration Date: 9/19/2021
